

RJ45 CAT6 100M Ethernet Cable CBEA0101012

SKU / Model: CBEA0101012

Product overview

This RJ45 CAT6 Ethernet cable is designed for high-speed data transmission over long distances. With a length of 100 meters, it is ideal for connecting devices in large spaces or for use in networking setups that require extended reach. The cable supports high bandwidth and is suitable for various applications including gaming, streaming, and office networking.
