

Bambu Lab FAC137 Extruder Switch Cam - H2D Pro,H2D

SKU / Model: FAC137

Product overview

? Product Name Bambu Lab FAC137 Extruder Switch Cam Compatible with H2D Pro and H2D 3D Printers ? Product Overview The Bambu Lab FAC137 Extruder Switch Cam is a genuine replacement component designed to ensure precise switching and control within the extruder assembly of H2D series printers. By stabilizing the extruder's mechanical movements, it supports smooth filament feeding, reliable extrusion, and consistent print quality. Built for durability and accuracy, it is an essential spare part for long-term machine reliability. ? Top Highlights ? Factory Original Part Guaranteed fit for H2D Pro and H2D printers ? Precision Switching Maintains accurate extruder control ? Easy Installation Designed for straightforward replacement ? Durable Construction Built to withstand repeated mechanical stress ? Reliable Performance Supports smooth filament feeding and extrusion ? Technical Details Specification Details Model Number FAC137 Compatibility Bambu Lab H2D Pro, H2D 3D Printers Function Controls extruder switch mechanism for filament feeding Installation Direct replacement, requires basic tools Category Spare Parts & Accessories Weight Approx. 0.15 kg Material Precision-machined polymer/metal composite Performance Ensures stable extruder operation and smooth filament flow ? Why You Should Buy It ? Genuine Bambu Lab replacement for guaranteed compatibility ? Restores precise extruder switching and control ? Durable construction for long-term reliability ? Essential spare part for maintenance and repair ? Recommended Use Cases ? Replacing worn or damaged extruder switch cams ? Ensuring smooth filament feeding during extended prints ? Maintaining consistent extrusion quality ? Stocking as a spare part for preventive maintenance ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your H2D printer running smoothly with a genuine extruder switch cam replacement. Thanks for choosing YOUR TRUSTED IT PARTNER.
