Bambu Lab FAE010 Filament sensor - A1 mini,A1

SKU / Model: FAE010

Product overview

? Product Name Bambu Lab FAE010 Filament Sensor Official Replacement for A1 mini and A1 3D Printers ? Product Overview The Bambu Lab FAE010 Filament Sensor is an OEM replacement part designed for the A1 mini and A1 printers. It detects filament presence and movement, ensuring smooth extrusion and preventing print interruptions. By monitoring filament status, this sensor helps maintain consistent print quality and reduces the risk of failed prints due to filament runout or feeding issues. ? Top Highlights ? OEM Certified Perfect fit for A1 mini and A1 ? Filament Detection Monitors presence and movement ? Prevents Runout Issues Reduces failed prints ? Easy Replacement User-installable with minimal effort ? Consistent Performance Supports reliable extrusion quality ? Technical Details Specification Details Model Number FAE010 Compatibility Bambu Lab A1 mini, A1 Function Detects filament presence and movement Material PCB with integrated sensor components Installation Direct replacement, user-installable Packaging Contents Filament Sensor ×1 Weight Approx. 40 g ? Why You Should Buy It ? OEM replacement ensures perfect fit and compatibility ? Prevents failed prints caused by filament runout ? Easy installation minimizes downtime ? Durable design supports long-term reliability ? Recommended Use Cases ? Replacement for faulty or damaged filament sensor ? Preventative maintenance to sustain extrusion quality ? Spare part for uninterrupted 3D printing workflow ? Essential component for long-term printer care ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Prevent interruptions and keep your prints consistent choose the official FAE010 Filament Sensor today. Thanks for choosing YOUR TRUSTED IT PARTNER.
