

## Bambu Lab FAF002-P Cooling Fan for Hotend - P1P,P1S

SKU / Model: FAF002-P

### Product overview

? Product Name Bambu Lab FAF002-P Cooling Fan for Hotend Compatible replacement part for P1P and P1S 3D Printers ? Product Overview The Bambu Lab FAF002-P Cooling Fan is a genuine replacement designed for the hotend of P1 series printers (P1P and P1S). It ensures efficient heat dissipation, preventing overheating and maintaining stable extrusion. Built for durability and precision, this fan is essential for consistent print quality and reliable machine performance. ? Top Highlights ? Efficient Cooling Maintains optimal hotend temperature ? Factory Original Part Guaranteed fit for P1P and P1S printers ? Easy Installation Direct replacement with minimal tools ? Durable Construction Built for long-term reliability ? Stable Extrusion Prevents overheating and supports consistent print quality ? Technical Details Specification Details Model Number FAF002-P Compatibility Bambu Lab P1P, P1S 3D Printers Function Provides cooling for hotend to stabilize extrusion Installation Direct replacement, requires basic tools Category Cooling & Spare Parts Weight Approx. 0.2 kg Material Plastic housing with integrated fan motor Performance Ensures efficient heat dissipation and consistent extrusion ? Why You Should Buy It ? Genuine Bambu Lab replacement for guaranteed compatibility ? Restores stable hotend cooling and extrusion performance ? Durable construction for long-term reliability ? Essential spare part for maintenance and repair ? Recommended Use Cases ? Replacing faulty or noisy cooling fans ? Preventing overheating during extended prints ? Maintaining consistent extrusion quality ? Stocking as a spare part for preventive maintenance ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your P1 series printer running cool and consistent with a genuine hotend cooling fan replacement. Thanks for choosing YOUR TRUSTED IT PARTNER.
