Bambu Lab PF003-M+SA007+SL002-UK BAMBU LAB - H2D LASE

SKU / Model: PF003-M+SA007+SL002-UK

Product overview

? Product Name Bambu Lab PF003-M+SA007+SL002-UK H2D Laser Full Combo 40W UK High-power diode laser system with enclosure and accessories for advanced cutting and engraving ? Product Overview The Bambu Lab H2D Laser Full Combo 40W UK is a complete high-power diode laser system designed for makers, engineers, and small businesses requiring precision cutting and engraving. With a 40W optical output, enclosed safety housing, and accessory integration, it delivers professional-grade performance across wood, acrylic, leather, and other compatible materials. This combo package includes the laser module, enclosure, and essential accessories, making it a ready-to-use solution for advanced fabrication projects. ? Top Highlights ? 40W Optical Power High cutting strength for thick materials ? Full Enclosure Enhanced safety and stable operating environment ? Integrated Accessories Includes module, enclosure, and supporting hardware ? Versatile Material Support Cuts and engraves wood, acrylic, leather, and more ? Precision Motion System Ensures clean edges and detailed engraving ? Technical Details Specification Details Laser Type Diode laser module Optical Output Power 40W Wavelength 450 nm (blue diode) Working Area 400 ×400 mm (approx.) Focus Adjustment Manual and assisted focusing Supported Materials Wood, acrylic, leather, cardboard, fabric, certain metals (engraving) Safety Features Full enclosure, protective shielding, emergency stop Connectivity USB / Wi-Fi depending on controller Included Accessories Laser module, enclosure, accessory kit Dimensions Approx. 600 ×600 ×200 mm Weight Approx. 18 kg ? Why You Should Buy It ? High-power 40W laser for demanding projects ? Complete combo package with enclosure and accessories ? Wide material compatibility for versatile applications ? Professional-grade precision and safety features ? Recommended Use Cases ? Cutting thick wood and acrylic sheets ? Engraving leather, fabric, and custom designs ? Small business production and prototyping ? Makerspaces and advanced hobbyist projects ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Unlock advanced fabrication with the Bambu Lab H2D Laser Full Combo 40W UK precision and power combined. Thanks for choosing YOUR TRUSTED IT PARTNER.
