

## Bambu Lab SAA025 Filament Buffer Connection Board - AMS

SKU / Model: SAA025

### Product overview

? Product Name Bambu Lab SAA025 Filament Buffer Connection Board Designed for AMS system ? Product Overview The Bambu Lab SAA025 Filament Buffer Connection Board is a genuine replacement part engineered to link the filament buffer with the AMS system. It ensures stable communication and reliable filament transfer, supporting smooth multi-material printing workflows. Built for durability and precision, this board is essential for maintaining the AMS system's performance and preventing feeding interruptions. ? Top Highlights ? Stable Connectivity Ensures reliable link between AMS and filament buffer ? Optimized Feeding Supports smooth filament transfer for multi-material printing ? Direct Compatibility Designed specifically for AMS systems ? Durable Electronics Built to withstand long-term use ? Essential Replacement Restores AMS functionality when connection issues occur ? Technical Details Specification Details Model Number SAA025 Compatibility AMS System Function Connects filament buffer to AMS Component Type Electronic connection board Installation Direct-fit replacement, requires careful handling Packaging Size 120 ×90 ×30 mm Packaging Weight 0.12 kg ? Why You Should Buy It ? Genuine Bambu Lab replacement part ? Restores AMS and filament buffer connectivity ? Ensures smooth multi-material printing ? Built for durability and consistent performance ? Recommended Use Cases ? Replacing a faulty AMS connection board ? Maintaining reliable filament buffer communication ? Ensuring smooth filament feeding ? Supporting long-term AMS performance ? Customer Assurance ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Keep your AMS system running at its best order the SAA025 Filament Buffer Connection Board today. Thanks for choosing YOUR TRUSTED IT PARTNER.
