

D-Link DEM-CB100QXS 1M 40G QSFP+ to QSFP+ Direct Attach C

SKU / Model: DEM-CB100QXS

Product overview

? Product Name D-Link DEM-CB100QXS 1M 40G QSFP+ to QSFP+ Direct Attach Cable (Compatible with DXS-3600-EM-4QXS Module) ? Product Overview The D-Link DEM-CB100QXS is a 1-meter 40G QSFP+ to QSFP+ direct attach cable designed for high-speed interconnects between switches, routers, and servers. It provides cost-effective, low-latency connectivity and is fully compatible with the DXS-3600-EM-4QXS expansion module. Ideal for short-distance data center and enterprise deployments, this cable ensures reliable performance without the need for additional transceivers. ? Top Highlights ? 40G High-Speed Connectivity Ensures fast data transfer for demanding applications ? QSFP+ Direct Attach Plug-and-play design eliminates the need for separate transceivers ? 1-Meter Length Perfect for short-distance rack-to-rack connections ? Reliable Compatibility Works seamlessly with DXS-3600-EM-4QXS module ? Cost-Effective Solution Reduces deployment costs compared to optical transceivers ? Technical Details Specification Details Model DEM-CB100QXS Cable Type QSFP+ to QSFP+ Direct Attach Cable Data Rate 40 Gbps Length 1 Meter Connector Type QSFP+ (Quad Small Form-factor Pluggable Plus) Compatibility DXS-3600-EM-4QXS Expansion Module Application Short-distance interconnects in data centers and enterprise networks Latency Ultra-low latency direct attach design Cost Efficiency Lower cost compared to optical fiber solutions ? Why You Should Buy It ? Provides reliable 40G connectivity for enterprise and data center networks ? Eliminates the need for costly optical transceivers ? Ensures seamless compatibility with D-Link DXS-3600-EM-4QXS module ? Compact 1-meter length ideal for rack-level deployments ? Recommended Use Cases ? High-speed switch-to-switch connections ? Server-to-switch interconnects in data centers ? Rack-to-rack short-distance deployments ? Enterprise backbone upgrades requiring 40G bandwidth ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Choose the DEM-CB100QXS for cost-effective, reliable, and high-speed 40G connectivity in your network. Thanks for choosing YOUR TRUSTED IT PARTNER.
