

D-Link DEM-CB300QXS 3M 40G QSFP+ to QSFP+ Direct Attach Cable

SKU / Model: DEM-CB300QXS

Product overview

? Product Name D-Link DEM-CB300QXS 3M 40G QSFP+ to QSFP+ Direct Attach Cable
(Compatible with DXS-3600-EM-4QXS Module) ? Product Overview The D-Link DEM-CB300QXS is a 3-meter 40G QSFP+ to QSFP+ direct attach cable designed for high-bandwidth, low-latency connections between switches, servers, and storage devices. Fully compatible with the DXS-3600-EM-4QXS expansion module, it provides cost-effective, energy-efficient connectivity for enterprise and data center environments. ? Top Highlights ? 40G QSFP+ Connectivity Delivers ultra-fast data transfer speeds ? 3-Meter Length Flexible deployment across racks and server clusters ? Low-Latency Performance Optimized for high-demand applications ? Compatible with DXS-3600-EM-4QXS Seamless integration with D-Link switches ? Energy-Efficient Design Reduces power consumption compared to optical transceivers ? Technical Details Specification Details Model DEM-CB300QXS Type QSFP+ Direct Attach Cable Connector Type QSFP+ to QSFP+ Data Rate 40 Gbps Cable Length 3 meters Compatibility DXS-3600-EM-4QXS module and other QSFP+ ports Latency Low-latency, high-bandwidth optimized Power Efficiency Lower power consumption compared to optical transceivers Application Switch-to-switch, server-to-switch, and storage interconnects ? Why You Should Buy It ? Cost-effective alternative to optical transceivers ? High-speed 40G connectivity for enterprise networks ? Seamless compatibility with D-Link DXS-3600 series ? Reliable, low-latency performance for mission-critical workloads ? Recommended Use Cases ? Data center interconnects ? Enterprise backbone aggregation ? High-performance server clusters ? Storage area network deployments ? Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions ? Shipping Info: Delivery handled by reliable logistics partners with tracking support ? Customer Support: Assistance available via official support channels and authorized resellers ? Call to Action Boost your 40G connectivity with confidence choose the D-Link DEM-CB300QXS today. Thanks for choosing YOUR TRUSTED IT PARTNER.
