

D-Link DEM-CB50CXP 120G CXP to CXP Direct Attach Cable (50cm)

SKU / Model: DEM-CB50CXP

Product overview

? Product Name D-Link DEM-CB50CXP 120G CXP to CXP Direct Attach Cable (50cm, Compatible with DXS-3600-EM-Stack Module) ? Product Overview The D-Link DEM-CB50CXP is a 50cm 120G CXP to CXP direct attach cable designed for stacking and high-speed interconnects.

It provides ultra-low latency, cost-effective connectivity between DXS-3600 series switches equipped with the DXS-3600-EM-Stack module. Ideal for short-distance deployments in enterprise and data center environments, this cable ensures reliable performance and simplified installation without the need for optical transceivers. ? Top Highlights ?

120G High-Speed Connectivity Provides ultra-fast bandwidth for stacking and backbone links ? CXP Direct Attach Plug-and-play design eliminates the need for separate transceivers ? 50cm Length Optimized for short-distance, rack-level connections

? Reliable Compatibility Works seamlessly with DXS-3600-EM-Stack module ?

Cost-Effective Solution Reduces deployment costs compared to optical fiber solutions

? Technical Details Specification Details Model DEM-CB50CXP Cable Type CXP to CXP Direct Attach Cable Data Rate 120 Gbps Length 50 cm Connector Type CXP (120G high-density connector) Compatibility DXS-3600-EM-Stack Module Application Stacking and short-distance interconnects in enterprise/data center networks Latency Ultra-low latency direct attach design Cost Efficiency Lower cost compared to optical fiber solutions ? Why You Should

Buy It ? Provides ultra-fast 120G stacking connectivity ? Eliminates the need for costly optical transceivers ? Ensures seamless compatibility with D-Link DXS-3600-EM-Stack module

? Compact 50cm length ideal for rack-level deployments ? Recommended Use Cases ?

High-speed switch stacking ? Data center rack-to-rack interconnects ? Enterprise backbone upgrades requiring 120G bandwidth ? Short-distance, low-latency deployments ?

Customer Assurance ? Warranty / Guarantee: Coverage available through manufacturer support ? Returns Policy: Returns accepted as per standard reseller terms and conditions

? Shipping Info: Delivery handled by reliable logistics partners with tracking support

? Customer Support: Assistance available via official support channels and authorized resellers ?

Call to Action Select the DEM-CB50CXP for dependable, cost-effective, and ultra-fast 120G stacking connectivity. Thanks for choosing YOUR TRUSTED IT PARTNER.
